

## **Buckworth Cricket Club Newsletter – June / July 2011**

### **Review**

Each time a walk down to the club I think how good it is looking with a fresh coat of paint – and I am reminded that we need to get the inside redecorated. We have pencilled in some dates in August for a painting party once we have done the preparation work.

The exterior work has of course cost the club some money – but we are slowly recouping this. The supper club and the meetings all help and we are planning a BBQ on the 3<sup>rd</sup> July to help funds. If you have any ideas for an event that we could hold over the summer – please let me know.

Can I remind you that we have a web site at [www.buckworth.co.uk](http://www.buckworth.co.uk) - this does allow you to add comments on the club activity and I do try to add information when I remember!
