

## Buckworth Cricket Club Newsletter – July/August 2011

### **Review**

As ever it hardly seems like a month since I last revised the club calendar – but it is. Looking back there have been some fun days though, our Independence Day BBQ raised £50.00 and was a really enjoyable day, the annual concert raised over a £1,000 pounds and slowly we are seeing the club used more – which I think is great – looking at the list below it looks as if we are going to be even busier!
