Chairman's Notes

As ever it does not seem a month since my last update on the activity at the club – and looking back October was dominated by a really excellent evening, the Trafalgar Night Supper organised by Nick and Veronica. The evening raised over £500 for the church restoration and the club bar was very busy and showed a good profit even after a donation to the church from the wine sold.

As I write the club is being decorated and as ever it has proved to be a bigger job than first thought. Many thanks to Phil, Hazel, Pat, Paula and Amanda for all their help clearing the room ready for the decorators.

With Christmas coming fast upon us we have started to plan for the festive season. Once again we will be holding the annual Christmas meal – this will be on the 3rd of December, tickets are limited so please make sure you get your tickets in plenty of time. We are charging the same as last year £15.00 – including a free draw for a bottle of wine.
