

News Letter and Events Diary

January 2012

Chairman's Notes

2012 started off in good style with the New Years eve supper and quiz everyone enjoyed the evening and there was a good crowd to see in 2012.

Buckworth's Got Talent was once again well supported over 35 people attended to watch 8 acts. and raised £187.00 for the church. The bar takings were over £200;00 – so it was also a good boost for the club. For those who were unable to attend John Davidson has made a DVD of the uncut highlights available £2:00.

We have already had a further supper club and my birthday party since then – so all in all we have been busy throughout January. Many thanks for all those who have supported the club throughout 2011.
