

Buckworth Cricket Club

August 2012 Newsletter

What a soaking we have had over the last month or two but at last the jet stream has headed north and we might now enjoy some lovely summer weather.

The Olympics is nearly upon us and, forgetting all the G4S problems, sports fans can look forward to a wonderful feast of sporting activity. Why not join us for Supper Club on Friday which will incorporate the Opening Ceremony on the "big screen"? Please book your places with Yvonne on 890058 giving at least 24 hours notice. *Please note that the charge for Supper Club has risen to £6 per head.*

If you need to use the toilet facilities at the club, please note that "the gents" has been closed for the time being. The cubicles in what was "the ladies" have been re-labelled, one as "ladies" and the other as "gents".

There have been some requests for Amanda to repeat her recent talk about her road to the 1972 Olympics (40 years ago) in Munich. If you would like to see her illustrated talk, please either email her on amanda.radnage@sky.com or give her a call on 896087 so that she can organise another date to suit.

An "arts and crafts" group meets on Wednesday afternoons from 2pm until 4pm. Open to all members, bring along whatever art or craft you want to get on with. Further information, if required, can be obtained from Yvonne Waterhouse.
