## Thanks

A vote of thanks must go to the previous committee for all their hard work and commitment to the Club. It really is appreciated by all. We look forward to seeing you all soon.

There is a new committee now formed whose details can be found over the page. The committee is made up of a cross section of the community and we hope this will help to further develop the club and the events/activities held there.

Club members are welcome to attend the first 10 minutes of all committee meetings to ask questions or share ideas with the committee. Dates of meetings can be found on the Club website.

We are collecting donations for our Christmas hamper raffle. This year we are doing 3 hampers:

## WE NEED YOUR HELP

*Help us make Buckworth Cricket Club work for you.....*

The committee are really keen to hear your views on how the club should be run and the types of things it should be doing.

Do you have an idea for an event, club or activity? Would you like to discuss this with the committee or ask for help? Contact them at the email addresses on the front of this newsletter.

We are also looking for volunteers to form a rota for general club maintenance, pot watering and cleaning. Let us know if you can help.

**The committee want to hear your views and ideas**

We also want to hear from children and young people (5-25) in the village or who's family use the Club. We want to set up a youth participation group that will feed ideas into the committee about things you would like to see. If you want to be part of it, email Sharon at:
